Cantley with Branton Parish Council welcome the public to its meetings, in fact by law members of the public must be admitted to all meetings of the full Council and its Committees. However, the law does not allow members of the public to take part in the debates.

This Council, like many other Parish and Town Councils in England and Wales, gives members of the public an opportunity to speak at some point during the meeting. We do this by giving members of the public the first 30 minutes of the meeting (shared equally between members of the public if there is more than one present). It is important for you to study the Agenda so that when the opportunity occurs you can make the best use of your time. Members of the public are welcome to stay for the whole duration of the Parish Council meeting, however after the first 30 minutes it is only for observation purposes.

If you wish to raise a point which does not relate to an item on that evening's agenda you are free to do so. However, the Council's discussion might have to be delayed until a subsequent meeting, as the Council is unable to make a decision binding in law (this is particularly relevant to financial decisions) unless a specific item is included on the Agenda.

Members of the Council are always willing to discuss topics put forward by the public. Our Agenda is prepared about a week before the next monthly Council meeting so you will need to inform the Clerk about ten days prior to the meeting. Although this might seem a long time in advance the Council is required by law to publicise its Agenda at least three clear working days before each meeting, these days do not include the day of issue or the day of the meeting.

We hope that you will find the meeting useful and if you have any queries please contact the Clerk.
